**All square footage measurements are estimates only. "APP" means application pending.*

Standard apartments: Our standard apartments are a great value opportunity to live at Somerset Hills and enjoy the amenities while living close to downtown Boise and the North End. Almost all standard apartments have decks and they all have central forced-air electric heat and air-conditioning.

Remodeled apartments: Our remodeled apartments offer an upgraded and an open kitchen with gas cooking, a breakfast bar (in most cases), a deck or patio, and central forced-air gas heating and air-conditioning.

Condominiums: Most of our condominiums feature hardwood floors, stainless steel appliances with gas range, built-in microwave, granite countertops, washer and dryer in unit, central forced-air gas heat and air-conditioning and a deck to enjoy the mature landscaping and views.

All units include one car assigned parking and extra storage.
